

Now introducing DPC. (DPC) is a membership-based healthcare model that provides personalized, patient-centered care without the complexities of insurance.

With DPC, you gain direct access to your provider through same-day or next-day appointments, and continuous support via phone, email, or text.

This approach prioritizes your health goals, offering proactive, preventive, and solutions tailored to your needs—all for a simple, transparent monthly fee. DPC empowers you to take control of your health in a convenient and stress-free way.

\$150 initial
then \$89 monthly.
